Select a Pick Up Day: Thursday _____ Saturday _____

This will be your assigned day and you will need to come on that day. We will notify you of the program start date.

Under this program you will receive multiple items at a time to ensure you receive all of your items under this program. We will also skip hot peppers if that is something you do not freeze or can.

As a member of the Freezer Program with Candella's Farm, I am making a commitment for the 2025 season to receive bulk items per the program terms. I recognize that due to the inherent risks of farming, there are no guarantees on the specific produce that I will receive due to weather extremes, insects, and/or other production factors. I am responsible for picking up my items when contacted (by phone or email) and understand I will receive replacement items due to harvest or if I miss an offered item. I understand that all payments for this Freeze Program is non-refundable. A completed form needs to be submitted to Candella's Farm to join.
