Candella's Holiday Business Collection – Deck the Doors

A Gift That Lasts Until Spring

This holiday season, say thank you with a fresh, handmade wreath from Candella's Farm & Greenhouses.

For more than 120 years and four generations, our family has been growing and creating in Marcy, NY. Our wreaths and centerpieces are made fresh, full and lush, and our customers tell us year after year that their wreaths last well into spring. Many of them travel to our farm stand every December because it has become part of their holiday tradition.

This year, we are inviting local businesses to share that tradition. Candella's Holiday Business Collection makes it easy to decorate your storefront or office and to thank the people who matter most to your business: your best customers, your vendors and partners, and your employees.

A wreath from a local family farm is a gift people actually hang on their door, see every day and remember. It says thank you, and it says you support your community.

Not Your Average Red Bow

Every Candella's wreath is designed by hand, and no two are exactly alike. Choose a single rich color, or a layered design with pinecones, bells and gold or silver accents.

- **Colors:** classic red velvet, deep burgundy, cream, hunter green, royal blue, navy and purple
- **Patterns:** buffalo check, tartan plaid, cardinal prints and holly prints
- **Finishing touches:** natural and gold-dipped pinecones, brass bells, and gold or silver metallic ribbon

We can even incorporate touches of your business! We will match your company colors or work in something that tells your story. Every year we make a Beer Can Wreath for Marcy Beverage Center, with clusters of beer cans in place of the usual bells and pinecones. We have also made Utica Comets wreaths with team cans and royal blue bows, and patriotic red, white and blue wreaths with silver bells. Tell us about your business, and we will have fun creating something one of a kind.

Fresh centerpieces are made with cedar, boxwood and fir, finished with candles, ornaments, berries and a coordinating bow. They are perfect for a reception desk, a conference table or a client's holiday table.

Two Ways to Participate

Choose one or both. Many businesses decorate their own space and send gifts at the same time.

1. Decorate Your Business. Welcome your customers with a statement wreath on your front door, oversized wreaths for your building, and fresh centerpieces for your lobby, reception desk or conference table. Our large wreaths, up to 5 feet wide, make a beautiful first impression.

2. The Thank-You Gift Program. Send a fresh wreath or centerpiece to the people you want to thank this year:

- **Your best customers**, as a personal thank you for their loyalty
- **Your vendors and business partners**, to recognize a great working relationship
- **Your employees**, as a holiday gift they can bring home and enjoy all season

Each gift can include a card with your business name and a personal message. Order a few or order many, and we will help you organize the list. Have a special request in mind? Call us at Candella's Farm at 315-736-8782 and we will create it with you.

Wreaths and Centerpieces

Wreath sizes refer to the inner ring. The finished wreath is much larger: a 10-inch wreath measures 20 to 24 inches across, and our 48-inch wreath is about 5 feet. Wreaths start at just $26.95 for a Classic 22-inch wreath. Our **Classic** style has a red bow with pinecones. Our **Decorated** style adds your choice of color with gold or silver accents. Decorated prices are starting prices, and custom designs are priced to match.
